Boat Park Rules (as per LSC Rule 34)

Abandoned Boats and/or Trailers

If, at any time, any fees payable to the Club by any member or former member (whether by way of arrears of subscription or facilities fees, Boat Park fees or otherwise) shall be one month or more in arrears and/or a boat and/or trailer the property of a member or former member remains upon the Club premises one month or more after the club has given the member or former member notice to remove the vessel then the member or former member shall remove the boat and/or trailer from the Club immediately. If the member or former member fails to remove the boat and/or trailer then the Committee may: -

(a) Move the boat and/or trailer to any part of the Club premises without being liable for any loss or damage to the vessel howsoever caused.

(b) Give three months' notice in writing by registered post to the member or former member at his last known address as shown in the Club Register and thereafter sell the boat and/or trailer and deduct any monies due to the Club from the net proceeds of sale before accounting for the balance (if any) to the member or former member.

(c) Alternatively, if the boat and/or trailer is unsaleable, after giving notice in writing as aforesaid, dispose of the boat and/or trailer in any manner the Committee may think fit and deem the cost of doing and any arrears as aforesaid to be a debt owing to the Club by the member or former member.

(d) The Club reserves the right to charge storage for the boat and/or trailer until such time as the owner collects the boat and/or trailer or until notice has been served under Rule (b) above.

PROVIDED ALWAYS THAT: -

Proper evidence is available to show that all reasonable steps have been taken to trace a member or former member and that, when and if the boat and/or trailer is sold, if the Club is unable to account to the member or former member for the balance of the proceeds of sale pursuant to Rule (b) above then the balance of the proceeds of sale shall be placed upon bank deposit account and retained against the eventuality of a claim by the owner (whether he be the said member or former member or otherwise) for a period of six years.

The Committee shall be entitled to treat any of the following as an abandoned or unauthorised boat and/or trailer:

(a) a boat and/or trailer located in the Boat Park and for which the boat park fee not been paid or other arrangements made;

(b) a boat and/or trailer located otherwise than in its properly allocated space;

(c) a boat and/or trailer that remains in the Boat Park for more than one month after any date advised by the - Committee by which boats and/or trailers must be removed to allow for maintenance works of the Boat Park or the end of the season date (where applicable);

(d) a boat and/or trailer which is the property of a member or former member which remains on club premises after any fees payable to the club by any member or former member (whether by way of arrears of subscription or facilities fees, dinghy park fees or otherwise) are more than one month in arrears; (e) a boat and/or trailer which is the property of a member or former member which overstays by more than a month following the termination of the storage agreement; (f) a boat and/or trailer which is the property of a former member which overstays by more than a month following the termination of their membership.

Lien

The Club shall at all times have a lien over members' or former members' boats and/or trailers parked on the Club's premises in respect of all monies due to the Club, whether in respect of arrears of facilities fees or subscriptions or otherwise and shall be entitled to retain possession of the boat and/or trailer until such time as all monies due to the Club have been paid in full.

Note.

Each berth in the Boat Park is normally conditional upon the boat being used regularly.

Annual renewal of a berth may be declined if the boat has not been in regular use the previous year.

For new applications for a berth there is no requirement for use in the previous year, but we will expect an indication of the intention to use the boat regularly.

The Committee will consider extenuating circumstances if for good reason a boat cannot meet the usage requirement.

Berths for boats not meeting the above usage conditions will be at the sole discretion of the General Committee.
